

Osimis Cookies Policy

This Cookies Policy (the “**Policy**”) describes the different types of cookies that we, Osimis SA, a limited liability company organised under the laws of Belgium with statutory seat located at Rue du Bois St-Jean 15/1, 4102 Seraing, registered with the Crossroads Bank for Enterprises under number 637.982.658 (“**Osimis**”, “**we**”, “**our**”, “**us**”), use on our website www.osimis.io (the “**Osimis Website**”) and how you can manage these cookies.

Please note that if and to the extent the information collected using cookies constitutes personal data pursuant to applicable data protection laws and regulations (including the EU General Data Protection Regulation n° 2016/679), the relevant provisions of our Osimis Privacy Policy will apply to such personal data as the case may be. We invite you to read our Osimis Privacy Policy (available from our Osimis Website) to understand how we may process your personal data and how you may exercise your data protection rights.

1. WHAT ARE COOKIES ?

Cookies are small text files containing information saved by a website on a computer or by a mobile application on a user's smartphone. They are designed to hold a modest amount of data specific to a particular client and website and enhance efficiency when you visit sites (by memorising language preferences for instance).

A tag is a short snippet of JavaScript code or an image pixel in the HTML embedded on a website. In the context of marketing/advertising, tags are collecting some information about the user and their browsing behavior. This is then sent back to the respective marketing or advertising platform to be processed and reported.

2. WHICH COOKIES ARE USED ON OUR WEBSITE AND WHY?

We use different types of cookies for different purposes.

Type	Purpose
Necessary	Necessary cookies help make a website usable by enabling basic functions like page navigation and access to secure areas of the website. The website cannot function properly without these cookies.
Preferences	Preference cookies enable a website to remember information that changes the way the website behaves or looks such as language preferences cookies, result display preference cookies, shopping cart cookies, multimedia player session cookies, “remember me” at log-in cookies, certain security cookies, cookies to facilitate customer support, etc.

Statistics	Statistic cookies help website owners to understand how visitors interact with websites by collecting and reporting information anonymously.
Marketing	Marketing cookies are used to track visitors across websites. The intention is to display ads that are relevant and engaging for the individual user and thereby more valuable for publishers and third party advertisers.

We use “session cookies” that stay on your device until you stop browsing and “persistent cookies” that stay on your device after you have finished browsing and until they expire or are deleted.

We use "first-party cookies" that belong to the domain name of our Osimis Website and "third-party cookies" that belong to a domain name from a distinct provider.

You may consult the full list of cookies used on our Osimis Website (setting out, for each cookie, the name, the provider, the purpose, the expiry and the type) on the cookies banner displayed when you first visit our Osimis Website.

3. HOW DO YOU MANAGE COOKIES?

You can easily accept or refuse the installation of the preferences, statistics and marketing cookies through the cookies banner displayed when you first visit our Osimis Website. We record your choice in a persistent cookie (active for one year).

You may, at anytime, delete, disable or accept cookies from our Osimis Website by configuring your browser settings. See below the relevant pages explaining you how to manage cookies on the most commonly used browsers:

- Internet Explorer:
<https://support.microsoft.com/en-gb/help/17442/windows-internet-explorer-delete-manage-cookies>
- Chrome: <https://support.google.com/chrome/answer/95647?hl=en>
- Firefox:
<https://support.mozilla.org/en-US/kb/enable-and-disable-cookies-website-p-references>
- Safari mobile: <https://support.apple.com/en-gb/HT201265>

4. CAN OUR WEBSITE FUNCTION IF YOU REMOVE COOKIES?

You will still be able to view our Osimis Website but some interactions may not work normally.

5. OTHER QUESTIONS?

If you have any further questions, do not hesitate to contact our Data Protection Officer by email at GDPR@osimis.io or by post at Rue du Bois St-Jean 15/1, 4102 Seraing (Belgium).
